Kid's Corner

**Road Construction, Yep, it's that time of the year again.**

Redfield has to depend on a faithful people right now, as it takes longer to get here; but it is worth it.

Highway 212 from Doland to Redfield now has a bit covering. Work is also being done on Highway 212 west from Redfield to the Orient corner. This stretch will be torn up, then graveled for the winter. In 2009 they should put the final mat on it.

If coming from the south on US 281, the road is rough put passable through Wolsey. You will be on the "old 281" for about 2 miles, then coming on north it is good.

### Depot gets a face lift for spring
