Do you love to hunt but don't necessarily need nor want the meat? Well there's an answer for you. **Sportsmen Against Hunger** has been operating since 1993 to support the food banks in their communities by donating over 255,000 to the needy. Because of the growing number of those citizens in South Dakota living below poverty level they are asking us to do more.

To help:

- Fill unused tags for antlerless deer and doe/fawn antelope, and donate the animals at participating game processors around the state.
- Make a cash donation when you buy your hunting license on-line or paper applications.
- Send a contribution to SD SAH. It's tax deductible.

For more information on **South Dakota Sportsmen Against Hunger** call (800) 456-2758 or visit www.FeedTheNeedSD.com
